

**AU-KBC RESEARCH CENTRE,  
ANNA UNIVERSITY CHENNAI  
CHENNAI-600 044**

Advt. Dt: September 18, 2013

Invites application for a **RESEARCH FELLOW** (ONE POST) for one year in a DBT sponsored project, titled, **Development and validation of a cell-tissue co-culture model for aiding liver specific studies and drug discovery applications.**

**Essential Qualification**

M.Sc. in Biochemistry/Biotechnology or any branch of Biology. A minimum one year experience in cell culture, and tissue engineering is required.

**Job Description**

The research fellow is expected to perform cell biology and proteomics experiments during his/her tenure.

**Emoluments will be as per DBT norm.**

Engagement is for the project and on behalf of the funding agency and the tenure shall be co-terminus with the duration of the project. Contract may be terminated any time by giving one-month notice by either side. The applicants will have no claim implicit or explicit for consideration against any DBT or Anna University post.

Candidates should send their applications on plain paper furnishing the bio-data, copies of certificates in supports of age, qualification, experience etc., to

**Dr.Suvro Chatterjee,**  
**Vascular Biology Laboratory, AU-KBC Research Centre, MIT Campus, Chromepet,**  
**Chennai-44, WITHIN 10 DAYS** from the date of this notification.

Eligible applicants will be invited for an interview at AU-KBC Research Centre.

No TA/DA will be paid to the candidates to attend the interview.
